

Dear VCP Client,

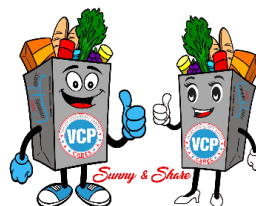

We have been helping those in need for over 58 years. We understand times are very challenging for a lot of us and we seek out for any assistance available. We do the best we can and we understand our services are not always enough. You may be aware of a couple of other organizations who “may” be able to help with food assistance. You can also contact 211 and ask for other possible organizations. We pray that things will get better for you and your family in these times of need.
